ROBERT HEWITT '50 CHALLENGE A SUCCESS!

- \$1.4 Million in Alumni Contributions Needed to Meet Original Goal
- Plan to Attend Tau Trustees/Parents' Weekend on November 5

Current Concept

We are proud to announce that the **Robert Hewitt '50** \$100,000 Challenge has not only been met, but been exceeded! To date, we have raised \$123,247 from alumni to match Brother Hewitt's generous offer. By digging deep to meet this challenge, we are that much closer to being able to begin work on the Chapter House.

To date, we have received more than \$3.6 million in pledges and gifts from 369 brothers, making possible the completion of Phase I (the spectacular new Lodge). It is gratifying to see so many of you wholeheartedly support this project.

We spent approximately \$2.5 million to complete the first round of updates, highlighted by the construction and furnishing of the new Lodge, but we are not done yet. To reach our original goal, we need to raise an additional \$1.4 million.

The immediate benefit from a campaign such as this is the opportunity for Kappa Sigma to continue our status as a premier fraternity at the University of Texas one which has pledged more than 100 men in the past 15 months. This benefit comes not only from an upgraded physical structure but also from the reconnecting that invariably occurs when Brothers come together on a project. Interest in our undergraduates has increased, and they are benefitting from the advice and wisdom of alumni. Our house corporation

has been revitalized through this process as well. Perhaps most important, old friendships have been renewed. We are at a critical juncture in the campaign.

With our goal in sight, the commitment of every Brother is vital to our success. Participation to-date has been great and we appreciate the loyalty of each donor. However, we will fall short of crucial projects without broader participation. We have structured the campaign with an available five-year pledge period, and gifts may be made in

honor or in memory of a family member or Brother. Simply complete and return the enclosed pledge card indicating your gift to the campaign. If you would like more information about the campaign, please don't hesitate contact us.

We hope to see you at the Tau Trustees/Parents' Weekend on November 5.

National Fraternity Commends Tau's Hard Work at Conclave

After Year of Reflection, Undergraduates Move Forward

It is with great pleasure that I announce to you that Kappa Sigma's Tau Chapter has been officially removed from any probations or sanctions. This is a result of almost a full year of hard work and dedicated efforts to get the Chapter back in good standing with the National Fraternity.

One year ago, due to improper use of alcohol, our Chapter was given a trusteeship period with a year-long alcohol sanction. After much reflection and discussion, we were able to rewrite and restructure how we conduct many of our Chapter programs.

The current officer board amended our bylaws and rewrote our scholarship, philanthropy, alumni, ritual, pledgship, and risk management programs so that they now comply with our national insurance policy requirements.

This was a long, arduous process, but one we believe will serve us better in the future. We are satisfied in the belief that we've done a great job in changing the culture of our Chapter for the best.

In late July, **Ernest Hotze '08**, **Kevin Redmon '10**, and I attended the 68th Biennial Kappa Sigma Conclave in Las Vegas, Nevada. Unsure of how the National Chapter would receive us due to our probationary status, we took a very humble approach and listened carefully to the advice we were given in the breakout sessions.

Not only did we learn a lot from other chapters around the country, we were able to share much good advice with the chapters that have been struggling with issues that Tau has dealt with over the past decade. We were commended for our contributions and were given a plaque recognizing our Chapter as the 10th best Kappa Sigma pledge class in the nation.

Friday afternoon, we met with the Supreme Executive Committee. They commended our hard work and told us they believe we have the potential to be the number one chapter in the nation. To our surprise, we got a standing ovation from the entire audience! It was a truly gratifying moment for all of us.

As the new school year approaches, I've never been so excited to be a part of an organization such as Kappa Sigma. Our new Lodge and the grounds upgrades give us one of the best facilities on campus. We are shooting for a pledge class of over 40 young gentlemen who could not be more excited to carry the torch. I fully believe that Tau is at the peak of its 127 years and it will only get better.

2011 TAU MEN OF THE YEAR

The Tau Trustees and Alumni Association are proud to announce **Wade A. Kilpatrick '69** as the 2011 Man of the Year, along with **Charles H. Bankhead '57** (1937-2011), who will be honored posthumously. Both men have made outstanding contributions to Kappa Sigma's Tau Chapter and deserve our heartfelt gratitude. Honors will be presented on November 5.

A LITTLE SISTER TO ALL TAU KAPPA SIGS MAKES BIG IMPACT TO CAMPAIGN

Nancy Tipton's brother, **Jim Tipton '71**, was a loyal Kappa Sig brother who passed away about 10 years ago. Several of his pledge brothers put together a naming opportunity for him in the new Chapter House to honor Jim along with three other Tau brothers who also passed on early. Nancy made a nice contribution to the campaign and rallied many of Jim's friends who were not Kappa Sigs to donate also. Nancy wrote a compelling letter to Jim's pledge brothers to spur their giving in his honor at the beginning of the campaign. Portions of her letter are below.

Several weeks ago, I learned about the fundraising drive for the construction of a new Kappa Sigma house at UT and I've been thinking of how best to support the effort and get involved. As you may remember, I was not only Jimmy's little sister, but a Little Sister of the Star and Crescent and, like Jimmy, loved the Kappa Sigs.

Jimmy was a member of one of the last pledge classes to occupy the West 19th Street house and was devastated to see the oldest fraternity house west of the Mississippi River turned into a parking lot. I know that Jim would be thrilled about the new Chapter House and Lodge and recognize its importance to the future of Kappa Sigma on the University of Texas campus. I also know that he would want me to participate in any way I can in order to help the Tau Chapter reach its campaign goal.

The memories Jimmy made during his student years at the University were the dearest to him of all. He was proud to be a member of one of the first three fraternities on the UT campus and prouder still to represent Kappa Sigma as a Texas Cowboy.

Unfortunately, Jimmy was not the only member of the 1970 pledge class to die too young; **Billy Tuck '71**, **Bobby Doherty '71**, and **Robbie Herring '71** were also taken too soon. In an effort to make a significant contribution to the new house in memory of these fine Kappa Sig men, I am asking for your support in the Tau house campaign.

He began working as a cinematographer and sound recordist after graduating from the University of Texas School of Law. Finishing up a postdoctoral fellowship at the law school in 2009, he enrolled in Steve Mims' Production Two course. A conversation
